### About Us

Moxa is a leader in industrial networking and communications, enabling connectivity for the automated world of today and tomorrow and enhancing cybersecurity for industrial automation systems.

### e-F@ctory Solutions Provided

Moxa delivers reliable and secure industrial connectivity solutions that enable connections and communication between a wide range of automation devices, systems, and processes on the plant floor and in challenging environments. Moxa's solutions can futureproof your industrial networks with enhanced network capability, scalability, and flexibility, as well as an array of security-hardened networking portfolios to perfect defending industrial applications in depth.

### Complementary Products

Mitsubishi Electric Communication Solutions

### Core Technology

Industrial networking and communication hardware and software

### Industries Served

Automotive & Auto Parts Manufacturing	Medical
Converting & Packaging	Metal Processing
Electronics manufacturing services	Mining
Energy Storage	Oil & Gas
Food & Beverage	PCB Manufacturing
HVAC	Pharmaceutical
Intelligent Transport Systems	Plastics & Rubber Processing
Iron & Steel	Power & Grid
Logistics	Renewable Energy
Machine Tools & Manufacturing	Rail
Marine	Robotics
	Semiconductor
	Textiles
