PRODUCT RETURN FOR CREDIT

For credit, material must be new, unopened and in sealed original factory packing with no markings on carton. Re-labeling stickers allowed on carton only as indicated below.

HOW TO PACKAGE YOUR RETURN

When returning materials for credit, they must have **NO markings, shipping labels, or stickers/labels on the product carton** other than the accepted re-labeling sticker as shown at right.

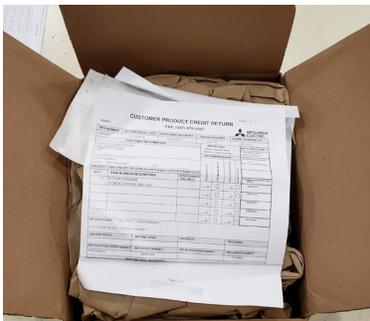

Label size **may not exceed** two inches in height and four inches in width (2" H x 4" W). Label can be placed on the side or bottom of the carton.

- Label must be white with black ink imprint only.
- Label must be applied within one inch (1") of the lower left corner and one inch (1") above the bottom of carton.

Place the **original product box** into an outer carton with adequate protective packing to avoid shipping damage.

Enclose a copy of the **RPA form** inside the shipping box.

Include **RPA Number** on shipping label to assure timely processing. (ex RPA # 6XXXXXXX)

It is important to follow instructions to avoid credit denial.

Materials that do not pass inspection will be returned at the customer's expense.
